

Parent Permission Form

WFAA—Channel 8 TV is interested in doing a story about the science songs that I write and sing in class. They may be coming to one of my classes this week. In order for them to video class, we need to be sure we have permission from the parents for their students to be video taped and broadcast on TV. Also, since this is happening quickly, your speedy response is necessary.

Please, check, sign, and date below to show your choice.

Thanks, Mr. Murray

*Student Name:*

---

Yes, I give permission for my student to be on TV.

No, I do not want my student to be on TV.
