

Name: _____

Period: _____

HW 14:2 — Color
Mr. Murray, IPC
www.aisd.net/smurray

Assigned: Thurs., 5/6/04
Due: Mon., 5/10/04

Draw the color chart here:

What color has more energy violet or red?

What color has a longer wavelength: orange or blue?

If I am using RGB to make colors, am I using additive or subtractive?

Am I using lights or pigments?

To make white I would use?

To make magenta I would use?

To make black I would use?

Questions on back
