

# Physics Safety Contract

As a responsible member of this class.

- I will act responsibly at all times in the laboratory.
- I will follow all instructions and laboratory procedures given by the teacher.
- I will learn the location and operation of safety equipment such as eye wash, fire blanket, and fire extinguisher.
- I will never perform any unauthorized experiments.
- I will wear my safety goggles and protective clothing during a lab when necessary.
- I will contact the teacher immediately of any emergency.
- I will keep long hair tied back, remove jewelry, and wear closed-toe/heel shoes at all times during a lab.
- I will never work alone in the laboratory.
- I will never bring food into a lab. I will never sample any lab materials unless instructed by teacher.
- I will never enter the store room unless supervised by a teacher.

I, \_\_\_\_\_, have read each of the above safety statements and understand each. I agree to abide by the smart science safety rules and all other written or verbal instructions provided by the my teacher.

Consequence for not following the above could consist of any or all of the following:

- I will be removed from the lab setting with no argument.
- I will have points deducted or receive an automatic zero.
- I will not be permitted to return to a lab situation until a conference has been held with my teacher and my parents regarding the misconduct.
